

Coronavirus COVID-19 guidance

Stay at home if you have coronavirus symptoms

Stay at home if you have either:

- a high temperature – you feel hot to touch on your chest or back
- a new, continuous cough – this means you've started coughing repeatedly

Do not go to a GP surgery, pharmacy or hospital.

You do not need to contact 111 to tell them you're staying at home.

Testing for coronavirus is not needed if you're staying at home.

Use the NHS 111 online coronavirus service if:

- you feel you cannot cope with your symptoms at home
- your condition gets worse
- your symptoms do not get better after 7 days

Use the 111 coronavirus service - <https://111.nhs.uk/covid-19/>
Only call 111 if you cannot get help online.

For up-to-date government guidance available for the COVID-19 illness, please visit www.gov.uk/government/topical-events/coronavirus-covid-19-uk-government-response

For health information and advice, visit www.nhs.uk/conditions/coronavirus-covid-19/

Hounslow Community Support Hub

Hounslow Council has launched its Community Support Hub to ensure vulnerable residents who do not have a support network get the support and supplies they need throughout the coronavirus pandemic. For more details, go to www.hounslow.gov.uk/hub

If you or someone you know needs this urgent support, the Community Support Hub can be contacted on **020 7084 9697** or hub@hounslow.gov.uk.
