To book Active breakfast club or Multi-sports, please log onto <http://www.jasports.co.uk> and book directly with JA Sports.

Halloween Bake Sale

Wednesday 31st October at 3:30-4:00pm on the playground

Can you bake spooky sponges and creepy cookies? Please donate Halloween inspired creations to our bake sale on the morning of Wednesday 31st October or to the stall in the playground by 3:15pm. A great excuse to get creative with your kids and there will be a trick or treat for the scariest entry. We would also appreciate any ghosts, ghouls or zombies able to help run the stall that afternoon. Email us or fill in the sign-up sheet on the PTA Noticeboard in the Playground.

Playground Disputes

If you have an issue or concern, please come and speak to your child's class teacher who will help

you resolve the problem. A gentle reminder that parents should not be approaching other people's children to resolve or discuss issues that have happened during the school day.

Board Game Donations

We are looking donations of children's board games – if you are able to donate any, please ensure they have all the parts/pieces and either hand them to the class teacher or drop them to the office. Thank you in advance.

Year 4 Trip to the Verulamium, St Albans

"On Thursday Year 4 went to the Verulamium museum. We went on a coach - it was a long journey! Finally when we got there we saw mosaics and lots of old, fragile Roman artefacts. We were able to go shopping in a Roman market place, which was really fun! The best part of the day was when we went up the hill to see the hypocaust with a beautiful tiled Roman floor."

Written by all of Year 4.

Pictures from the Year 4 trip to the Verulamium Museum

"Here we were looking at the mosaics – they were very big and cleverly designed by the Romans."

Georgia

"We went shopping and we were looking at different types of food, pottery, metal and clothes. Each group had a turn to go to each stand and we had a shopping list to get the items we needed from the stands. It was interesting."

Katra

"We saw a wall that stopped invaders getting in. It was made of rocks that were two meters thick and very high! There was a building with a hypocaust behind it."
