## **Sports Premium 2017-2018**

In March 2013 the government announced that it was to provide additional funding of £150 million per annum for academic years 2013/14 and 2014/15 to improve the provision of physical education (P.E.) and sport in primary schools in England - the Primary P.E. & Sport Premium.

This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - is allocated to primary school headteachers. The funding is ring-fenced and therefore can only be spent on the provision of P.E. and sport in schools. **Funding has been agreed until 2019.**

The Sports Premium for 2016/17 has been used for the following **OBJECTIVES**:

2. Raising the profile of P.E. and sport across the school as a tool for whole school improvement (strategic development, leaders...)
3. Increasing confidence, knowledge and skills of all staff in teaching P.E. and sport (lesson support/mentoring, inset CPD)
4. Offering a broader experience of a range of sports and activities to all pupils (clubs wide variety of curriculum activities)
5. Increasing participation in competitive sports (Intra & Inter)
