

South Isleworth Children's Centre

Do you have children under 5?

Come and visit South Isleworth Children's Centre located in Worple Rd, just behind Worple Primary School where you will find a daily schedule of activities for babies and toddlers. These include baby massage classes, under 5s football, healthy eating classes and stay and play for all ages.

The centre is one of 18 across Hounslow offering support and advice for families and carers looking after under 5s. Drop in for information on childcare, adult education classes, local job vacancies, advice on parenting, healthy eating and to be referred to specialist services for additional support.

There are also health services in the centre including a weekly baby clinic and baby support group and a drop-in breastfeeding support clinic.

The centre is open every week day from 9am - 5pm and our outreach worker will be happy to discuss with you which services are best suited to your needs.

Pop in anytime or call on 0208 583 5885/6
