

# WORPLE WEEKLY

*Every Second Counts!*

No 726

27<sup>th</sup> April  
2018

Dear Parents and Carers,

Today we say goodbye to the chicks that we have looked after for the past two weeks. We were lucky enough to have two incubators this year; one in the Reception classroom and one in the main entrance. The children have thoroughly enjoyed watching the chicks hatch and seeing them grow.

Don't forget next Friday 4<sup>th</sup> May is the deadline for Nursey applications. Children may join the Nursery in the September *following* their 3rd birthday. Application forms can be obtained via the school office. Please read the 'Starting in a Hounslow School Nursery in September 2018' brochure below when completing your application.

Many thanks to the Scouts and Guides who came into school on Monday in their club uniforms. The children stood up in assembly told everyone all about the club they attend and helped share the story of St George.

### Hot weather

As the weather is getting warmer, please ensure that your child is sent to school with a water bottle so that they can keep hydrated. If your child has a packed lunch, we advise that they have two water bottles; one for their packed lunch box and one to be kept in the classroom.

Can we also request that your child brings a sun hat and has sun cream applied before arriving at school during hot weather.

### Scooter/Cycle Park

Please ensure you take your child's scooter/bicycle home at the end of each day. We have noticed a few that have been left behind and forgotten about. Please can all scooters and bicycles be removed from the scooter/cycle park by **Friday 4<sup>th</sup> May** so that Peter, the Site Manager, can do a full clean up. Thank you.
