

WORPLE WEEKLY

Every Second Counts!

No 729

18th May
2018

Dear Parents and Carers,

A huge well done to all our Year 6 children who showed resilience and determination during this week's SATs tests. You have all worked so hard and we are all very proud of each and every one of you. Just remember that although tests show your academic abilities, they do not test your wisdom, integrity, thoughtfulness, courage, compassion and other wonderful skills and qualities you have.

Unfortunately there have been a few incidences before and after school where children have not be following our school rules. Please can we remind all parents and carers to closely supervise your child/ren on the playground both before and after school. Children remain the responsibility of the parent or carer until they enter the classroom at 8:50am and exit the classroom at 3:30pm. We would appreciate your cooperation with this matter so that we can ensure the playground is a safe place for everyone.

Don't forget to come along to **Reception's class assembly on Thursday 24th May** at 9:15am. Parents and carers are welcome to stay for tea and coffee afterwards.

Next week we will break up for half term on Friday 25th May at 3:30pm. Please note that Monday 4th June will be an INSET DAY and the children will return to school on Tuesday 5th June.

Royal celebrations

The children have had a fantastic day celebrating the royal wedding which will take place tomorrow at Windsor Castle. We held a special whole school assembly to learn more about the royal family and weddings as well as parading wearing their hand crafted crowns. We finished our celebrations with ice-pops on the field!

Walk to School Week

Next week we are participating in 'Walk to School Week'. This consists of a five day challenge where we ask parents, carers and children to walk to school. If you live far away and come to school by car, why not try parking a few roads away and walking the final part of the journey? Or, if you get the bus why not get off a stop earlier! Each day your child walks to school they will get to add a sticker to their class chart. Each child will be given an activity booklet of fun things to do or spot on their walk to school.

Scooter Park

We still have lots of unclaimed scooters and bicycles left in the scooter park. Please ensure these are collected as soon as possible so we can sweep and tidy the area. Thank you.

Sporting News

Don't forget Worple's Sports Day will now be held on **Tuesday 19th June**. EYFS and KS1 will be held in the morning and KS2 will be held in the afternoon. Should the weather be unfavourable, we have reserved Wednesday 4th July as our back-up Sports Day.

Book Review

Mrs Finch has just finished reading Northern Lights by Phillip Pullman. What did she think? "An absolutely gripping book. It's about a young girl called Lyra who is on a mission to rescue her friend and find out the truth. On her journey to the North she encounters witches, talking polar bears and much, much more. So good, I couldn't put it down. I would definitely recommend this book for Year 5 or 6 children."

A Message from the PTA: A very big thank you for all who attended, helped and donated delicious foods at our annual International Food Festival. We raised £400 which will be allocated towards our laptop fund. Thank you for your continued support.

Please return your Oakhill consent forms to the school office no later than **Wednesday 23rd May**. By offering to advertise the Summer Fair outside your house the school are given £10 for each board displayed which will get us closer to reaching our £5000 target for the laptops needed.

Save the Date - **Worple Summer Fair** Saturday 14th July at 11am. All welcome - open to the community, friends and family.
