

WORPLE WEEKLY

Every Second Counts!

No 730

25th May
2018

Dear Parents and Carers,

Thank you to all the families who have participated in Walk to School Week. The children have enjoyed learning more about the benefits of a healthy lifestyle and many have been completing the fun activities on the way to school from their activities booklets. We also had a visit from Debra the Zebra in assembly who spoke to the children about how to keep safe on their walk to and from school.

Well done Years 2 & 3 who have won their punctuality reward.

Remember if your class receives zero lates, your class gets your chosen treat!

Secondary Schools

Some Year 5 parents have been asking when they should be looking around Secondary Schools and how to approach this.

The advice we would give is that it is never too early to start looking around local Secondary Schools and it would be a good idea to start short listing potential schools for your child. Most Open Evenings take place in September and October - look on individual schools websites for specific dates. We will send out more information once we have received this in the Autumn Term. Don't forget you can also look around Richmond schools as well as Hounslow schools.

Sporting News
On the first Wednesday back after half term we have invited 'Skipping Workshops' to work with the whole school teaching different skipping skills to every class. Their aim is to encourage children and adults to skip for health, fun and fitness, whilst introducing modern and traditional skipping games including individual rope tricks, speed skills and Double Dutch, back into the playground.

They will be selling skipping ropes in the playground after school. Prices start from £4 per rope.

Library sessions:

Monday, Tuesday, Thursday, Friday 8.30 – 8.50 am

Come and join us in the library and start your day with a book!
