

# WORPLE WEEKLY

## *Every Second Counts!*

No 734

29th June  
2018

Dear Parents and Carers,

### **Peer challenge Success!**

As some of the children may have already told you, we had some visitors to our school on Wednesday; these were two Head Teachers from local schools and a quality assurer from the Hounslow Education Partnership. This is a part of a programme that we have been taking part in over the past few years to ensure that the school continues to move forward and provide the best education for all of our children here. We are pleased to report that the visit was very positive and the strengths of the school were listed as: children having high levels of engagement, being inclusive of all children's learning, having a positive learning culture and it was commented that in the children's books, good progress was evident. As always our children were exceptionally behaved and the Head Teachers were impressed with how well-mannered and articulate the children were.

### **Year 6 End of Year Show**

The children in Year 6 have asked you to save the date for their end of year show The Wizard of Oz which will be held on Tuesday 17<sup>th</sup> July at 7pm. More details to follow soon!

### **Literacy Ambassadors Day**

Four children from year 3 and Year 4 class went to Ivybridge on Thursday as part of a literacy day hosted by C8. The children were extremely well behaved and made Worple proud!

'We learnt how to write Kenning poems about Superheroes- it was exciting!'

"The best part was writing the animal descriptions-like lazy leopard and dancing dolphins!"

Shea, Dylan, Khadeeja and Ellie.

### **Year 6 Transition Day**

Most Secondary schools will be holding their transition day on Tuesday 3<sup>rd</sup> July. Please check with your child's new school to ensure that they do not miss this vital day in helping them to prepare for their secondary education.

**Don't forget...Worple's Summer Fair is on Saturday 14<sup>th</sup> July from 11am-2pm!**

**There will be a bin in the playground every day next week. We are looking for donations of teddies, unopened confectionary and alcohol.**

## Sporting News

The school have purchased brand new equipment for play and lunch times to help engage the children and provide opportunities to get moving and keep fit. Some of the equipment includes: skipping ropes, scratch pad, Frisbees, and much more. We are trailing no football during playtimes due to a high number of accidents/injuries so we hope that the new equipment will provide a positive alternative.
