EYFS Trip to the Aquarium

Nursery and Reception were lucky enough to visit the London Aquarium this week. The trip was organised to fit in with their topic 'The big wide world'. The children were incredibly well behaved and enjoyed seeing some of the iconic London sights on their way. Whilst in the aquarium the children saw jellyfish, sharks, penguins, string rays and much much more! They had the opportunity to touch the starfish and one of the children said "it feels scratchy!" Thank you all the parent helpers who supported the Early Years team in making this memorable experience possible.

Mathletics

Unfortunately, we no longer have a subscription to the online Maths programme Mathletics. The decision was made due to low numbers of children using the service. We are currently in the process of looking into alternative online learning programs. More details will follow in the new academic year.
