2018

Year 5 Assembly today

In Year 5 we read lots of different poems then chose our favourites to perform in assembly today. All of us learnt poems off by heart and we spoke clearly, loudly and slowly. Everyone thought about the pace, rhythm and the volume.

Today we performed in the round with the audience around the edge of the hall. Afterwards we felt relieved and proud because it was something special. Mrs Hurn said "I was blown away by your performance." by Y5

Maths & Science Week Monday 5th February - Friday 9th February

We have lots of exciting Science investigations planned as well as some real life Maths problems to solve. On Thursday 8th we will be joined by a Maths Magician who will be working with individual classes throughout the day. Don't forget to join us at 3:30 for a Parent Workshop on helping your child with Maths at home.

On Friday 9th we will be doing a Maths and Science dress up day. This could involve dressing up as your favourite scientist or mathematician or even coming as something maths or science related for example a calculator! Prizes will be give out in a special assembly on Friday.

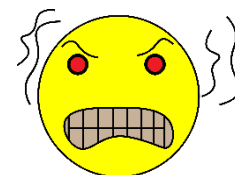

Cycling /Scooting to & from school

It is wonderful to see how many of our pupils and their parents cycling, scooting, walking to & from school. Please remember to get off your bikes & scooters when you enter the playground and just wheel them in. It is a bit dangerous to cycle / scoot in the playground at the beginning and end of the school day. Thank you for your understanding.

No problem too small

We know that all there are times that all of us get stressed, upset and angry. Please, if you have a grievance, are worried about your child, do come in and talk to us.

Sickness

We are still having quite a number of sickness incidents. If your child is unwell, please let us know and keep them at home for 48 hours after the last bout of sickness. Hopefully this will stop the germs travelling round the school!

After School Clubs

Thank you to those who have paid for their clubs. If you haven't yet paid please make sure this is done by the end of next week. Thank you.

Parent /Governor deadline – don't forget – ballots papers must be in by

12 noon on Wednesday 31st January 2018.
