WORPLE WEEKLY

Every Second Counts!

Year 4 to the Wetland Centre, Barnes

On the 1st of February, Year 4 had a great but freezing day at the Wetland Centre. We took two buses to get there. When we arrived a man called Paul took us into our classroom (The Learning Centre). We investigated an area that always floods and made some improvements. We also did another experiment where we saw which parts of the Rain Garden were absorbent or not. We learnt that the last glass of water we drank could have been T-Rex's drink! Our two favourite things were the Adventure Playground and seeing the otters swimming and running about.

Sports News

Yesterday we hosted a friendly tag rugby competition against the Blue School. The children enjoyed themselves, learning a lot about sportsmanship & teamwork– unfortunately we lost!

Next week is Maths & Science Week

Please help us collect the following items for Maths & Science week & drop them off at school on Monday morning – thank you.

NEWSPAPERS, STRAWS, KITCHEN ROLL, COTTON BALLS

Don't forget to join us at 3:30 on Thursday 8th February for a Parent Workshop on helping your children with Maths at home. Bring your children along.

On Friday 9th we will be doing a Maths and Science dress up day.

This could involve dressing up as your favourite scientist or mathematician or even coming as something Maths or Science related, for example a calculator!

Prizes will be give out in a special assembly on Friday.

Parent Governor Elections

We have had 5 nominations for the Parent Governor vacancy so there will now be an election – watch this space!

Date for your diary

Wednesday 7th February is Year 2 Class assembly

No problem too small

We know that all there are times that all of us get stressed, upset and angry. Please, if you have a grievance, are worried about your child, do come in and talk to us. We are here to help.
